Project Meeting Notes Year IV

Week Starting:	18/04/2022 TO 25/04/2022
Student Name:	Michal Krzyzanowski

Description of work completed since previous meeting
This week, I focused on finishing off my documentation. I finished all of my outstanding documentation. I never got around to implementing the shape editing feature.

Tasks to be completed this week

1	Start working on the ability to edit shapes (rotate, move, add more vertices, etc.).
2	
3	
4	
5	
6
